NATIONAL SEATING & MOBILITY ACQUIRES SEATTLE-BASED DEPENDABLE MEDICAL EQUIPMENT

Acquisition marks the company's first location in Washington.

NASHVILLE, Tenn. (May 12, 2017) - National Seating & Mobility (NSM), the premier provider of customized complex rehabilitation technology solutions in the U.S., announced the acquisition of Dependable Medical Equipment in Seattle. Effective as of May 1, 2017, the acquisition marks the company's first location in Washington.

"National Seating & Mobility is committed to expand our reach to those in need of mobility and accessibility solutions," said Bill Mixon, NSM CEO. "We look forward to partnering with the medical and rehabilitation communities in Seattle to provide specialized products and services designed to maximize the mobility and independence of individuals with disabilities."

Four certified assistive technology professionals (ATPs) and a rehabilitation technology supplier (RTS) formerly with Dependable Medical Equipment will remain on board at the NSM branch location at 17703 15th Ave. NE in Seattle to serve existing and new clients.

"Dependable Medical Equipment's strong reputation and focus on quality products and personalized service aligns well with NSM's mission and values," said Mixon. "We are pleased to add this experienced group to our growing network of branches nationwide."

About National Seating & Mobility

National Seating & Mobility is the nation's premier Complex Rehab Technology Solutions provider, partnering with physicians, therapists and clients across the U.S. to design customized innovative mobility, rehabilitation and adaptive product solutions for individuals with disabilities. Founded in 1992, the company has grown from five locations to a national network of professional Assistive Technology Providers (ATPs). [National Seating & Mobility has earned the highest professional accreditation from the independent, not-for-profit The Joint Commission.](#) As preeminent accrediting body for U.S. healthcare organizations, The Joint Commission maintains unrivaled industry standards.
