## **NATIONAL SEATING & MOBILITY EXPANDS IN DALLAS-FORT WORTH**

*The acquisition of Mobility Healthcare marks second NSM branch and first AccessNSM location in the area*

NASHVILLE, Tenn. (June 26, 2017) - Complex Rehab Technology Solutions provider, National Seating & Mobility (NSM), is expanding with a new location in Dallas-Fort Worth. The new North Dallas branch is an acquisition of Mobility Healthcare in Carrollton, Texas and includes a retail location in Lewisville, Texas that will be the first AccessNSM location in the area.

“We look forward to expanding our services in Dallas-Fort Worth and providing mobility solutions to more individuals with disabilities in Texas,” said Bill Mixon, NSM CEO.

Six rehabilitation technology (RTS) suppliers and additional staff formerly with Mobility Healthcare will transition to the NSM team at the North Dallas branch location at 1545 Capital Drive in Carrollton. Staff from the 211 S. Stemmons Freeway location in Lewisville will also remain on as a part of the AccessNSM team serving the home accessibility needs of the community as well.

“Mobility Healthcare has a longstanding reputation for quality, personal service,” said Mixon. “We are pleased to add this experienced group of professionals to our family of branches.”

The North Dallas NSM branch is the seventh in Texas for the premier provider of customized complex rehabilitation technology solutions. The Lewisville AccessNSM retail location, offering a full range of indoor and outdoor mobility and home accessibility products, is the second currently in Texas.
