

NATIONAL SEATING & MOBILITY ANNOUNCES PROMOTIONS

*Isaac Rodriguez promoted to Senior Vice President of Strategic Development;
Jason Miele promoted to Regional Vice President of the East Region*

NASHVILLE, Tenn. (September 12, 2019) - National Seating & Mobility (NSM), the leading provider of complex rehabilitation, mobility and accessibility solutions in the U.S. and Canada, is pleased to announce the promotion of Isaac Rodriguez to Senior Vice President of Strategic Development. Jason Miele has been selected to assume Rodriguez's previous role as Regional Vice President of the East Region.

"Isaac has proven himself an effective leader and valuable contributor to NSM's executive team," said Bill Mixon, NSM CEO. "His experience, skillset and drive make him a strong choice to guide our continued trajectory of growth."

As the senior vice president of NSM's strategic development, Rodriguez will support the organization with revenue diversification and productivity opportunities including Home Access, Product Programs, Workers' Compensation, ATP productivity and other adjacent markets. He previously served as Regional Vice President of the East Region following four years as Area Vice President for the Pacific Region. Prior to joining NSM, Rodriguez spent a combined 15 years with Ottobock as Director of Operations and in revenue management and operations positions for Apria Healthcare.

Miele's promotion to Regional Vice President of the East Region includes overseeing the branch operations throughout the region. Miele joined NSM in April 2018 as a Regional Area Director with more than 14 years as an Occupational Therapist, operations manager and healthcare reform strategist. Prior to NSM, he worked across all domains of the healthcare industry including skilled nursing/long term care; senior living, and home health. He has also served as an Army Medical Officer in the United States Army Reserves since 2013.

"Jason's breadth of experience and contributions to NSM make him an ideal selection to lead our East Region," said Mixon. "We are proud to promote him to this role and add him to NSM's executive leadership team."

About National Seating & Mobility

National Seating & Mobility is the nation's premier Complex Rehab Technology Solutions provider, partnering with physicians, therapists and clients across the U.S. to design customized innovative mobility, rehabilitation and adaptive product solutions for individuals with disabilities. Founded in 1992, the company has grown from five locations to a national network of professional Assistive Technology Providers (ATPs). National Seating & Mobility has earned the highest professional accreditation from the independent, not-for-profit, The Joint Commission. As preeminent accrediting body for U.S. healthcare organizations, The Joint Commission maintains unrivaled industry standards. For more information visit nsm-seating.com.
