

NATIONAL SEATING & MOBILITY EXPANDS IN LOUISIANA WITH BATON ROUGE ACQUISITION

NASHVILLE, Tenn. (February 24, 2020) —National Seating & Mobility (NSM), the leading provider of complex rehabilitation technology (CRT), mobility and accessibility solutions in North America, has acquired Functional Mobility Systems in Baton Rouge, Louisiana. The expansion increases CRT services for the pediatric population across the southeast portion of the state.

“This partnership brings additional pediatric care experts and respected industry veterans to our growing team,” said Bill Mixon, NSM CEO. “We look forward to partnering with physicians and therapists across Louisiana to provide innovative mobility and accessibility solutions to those who need them.”

Owned and operated by Assistive Technology Professionals Mark Tucker and Sean Reed, Functional Mobility Systems is the largest provider of complex rehab therapy (CRT) services for the pediatric population in southeast Louisiana. Tucker and Reed, who combined have more than 50 years of CRT experience, will join the NSM team and continue to serve clients from the Baton Rouge branch following the acquisition.

About National Seating & Mobility

National Seating & Mobility is North America’s premier mobility solutions provider with industry-leading experience in Complex Rehab Technology, Accessibility and Services supporting independence for individuals with disabilities and profound healthcare challenges. Founded in 1992, the company has grown from five locations to a network of mobility solutions experts partnering with physicians, therapists and clients across the U.S. and Canada. National Seating & Mobility is the only national mobility solutions provider accredited by The Joint Commission for demonstrating quality and safe care. The Joint Commission accredits and certifies more than 21,000 health care organizations and programs in the United States.
