

EVALUATION & DELIVERY OPTIONS TO KEEP YOU MOVING.

YOUR SAFETY IS OUR TOP PRIORITY

As an Essential Provider, we place emphasis on the importance of following our infection control policies and additional processes to further ensure a safe experience for you and our employees.

- New screening procedures prior to in-person client interactions to minimize the risk of exposure.
- Restricting visitors to our facilities except for clients and those directly supporting them.
- Disinfecting work surfaces before and after use.
- Disinfecting new and used equipment upon receipt and prior to presenting to client.
- Continuous education and communication around best practices for infection control.

Implemented no contact and limited contact evaluation and delivery options.
See below for more information.

	NO CONTACT CARE OPTIONS	LIMITED CONTACT CARE OPTIONS
EVALUATION OPTIONS	  Using HIPAA approved, compliant telehealth options, we are able to perform many new equipment and repair evaluations remotely. Some evaluations may not apply.	If we can't resolve a request remotely, we will provide the safest options to complete the request in a timely manner.
CURBSIDE DELIVERY OPTIONS	Select the best option for no contact or limited contact service.  Nearest Branch  At Home  At Your Healthcare Facility Once equipment is delivered, we can set up a time to remotely review safety and functional training.
