

## NATIONAL SEATING & MOBILITY EXPANDS CANADIAN FOOTPRINT

NASHVILLE, Tenn. (June 9, 2020) — National Seating & Mobility (NSM), the leading provider of complex rehabilitation, mobility and accessibility solutions, has announced the acquisition of Active Mobility Products in Kelowna, British Columbia. The acquisition strengthens NSM's presence in the Interior Region of British Columbia in the Okanagan Valley.

“Accessibility and mobility are vital to the health, safety and success of the clients we serve,” said Bill Mixon, NSM CEO. “Expanding our presence in British Columbia strengthens our ability to provide innovative mobility solutions in the Kelowna and surrounding communities.”

Active Mobility was formerly owned and operated by Dino Padula, a highly skilled adaptive seating and mobility specialist with more than 20 years of Complex Rehab Technology (CRT) experience. Padula will transition to the NSM team post acquisition.

The new Kelowna branch will be the first location outside the U.S. branded as National Seating & Mobility. Over the next several months, other NSM-owned companies in British Columbia, Advanced Mobility Products Ltd. and SelfCare Home Health Products, Ltd. will also be rebranded as National Seating & Mobility.

### **About National Seating & Mobility**

National Seating & Mobility is North America's premier provider of customized mobility, home and vehicle accessibility, and full-service equipment maintenance and repair solutions supporting independence for individuals with mobility challenges.
