

NATIONAL SEATING & MOBILITY EXPANDS FOOTPRINT IN WESTERN UNITED STATES

NASHVILLE, Tenn. (Sept. 23, 2020) — National Seating & Mobility (NSM), the leading provider of complex rehabilitation technology (CRT), mobility and accessibility solutions, has announced the acquisition of TruMobility, a CRT provider with locations in Las Vegas and Salt Lake City. The acquisition will expand NSM's service capabilities in Nevada and Utah.

“NSM continues to expand to bring our full-scope service offerings to clients in need nationwide,” said Bill Mixon, NSM CEO. “We look forward to meeting and providing solutions to more individuals with mobility challenges in the West.”

TruMobility was formerly owned and operated by career assistive technology professionals (ATPs) Danny Lumpkin and Vernon Evans. Following the acquisition, two ATPs from the existing CRT teams will transition to the NSM team.

About National Seating & Mobility

National Seating & Mobility is North America's premier provider of customized mobility, home and vehicle accessibility, and full-service equipment maintenance and repair solutions supporting independence for individuals with mobility challenges. Founded in 1992, the company has grown from five locations providing complex rehabilitation technology to a comprehensive network of mobility and accessibility experts partnering with physicians, therapists and clients across the U.S. and Canada. National Seating & Mobility is the only national mobility solutions provider accredited by The Joint Commission for demonstrating quality and safe care. The Joint Commission accredits and certifies more than 21,000 health care organizations and programs in the United States.
