NATIONAL SEATING & MOBILITY APPOINTS ALLAN VILLEGAS AS CHIEF FINANCIAL OFFICER

NASHVILLE, Tenn. (January 25, 2021) — National Seating & Mobility (NSM), North America’s largest provider of comprehensive mobility solutions, is pleased to announce the appointment of Allan Villegas as Chief Financial Officer.

“Allan’s extensive financial background combined with his deep acquisition and integration experience to drive growth opportunities for industry-leading companies in a variety of sectors will be an asset to NSM,” said Bill Mixon, NSM CEO. “We are pleased to have him aboard the NSM executive team.”

Villegas has more than 20 years of experience in financial leadership positions at private-equity portfolio companies focused on the execution of growth and operational improvement initiatives. Most recently, he was the CFO of Impark, an industry leader in parking management and transportation services, and prior to that, of WASH Multifamily Laundry Systems, a leading provider of laundry facilities management services in North America. Villegas began his career in public accounting with Ernst & Young. He holds a bachelor’s degree in business administration and accounting from California State University, Los Angeles and is a Certified Public Accountant.

“NSM’s mission-oriented business model is unique,” said Villegas. “I am excited to be a part of the NSM team dedicated to improving the lives of others. I look forward to working with the team as NSM enters its next phase of transformative growth and expansion.”

About National Seating & Mobility

For more than 25 years, National Seating & Mobility has been advancing independence and enhancing the quality of life of individuals with mobility challenges. With a network of more than 180 locations, experts and resources across the U.S. and in Canada, National Seating & Mobility is North America’s largest and most trusted provider of comprehensive mobility solutions including complex rehab technology, home and vehicle accessibility, and full-service equipment maintenance and repair.
