NASHVILLE, Tenn. (February 25, 2021) — National Seating & Mobility (NSM), North America's largest provider of comprehensive mobility solutions, is expanding service offerings at the company's Las Vegas branch with the addition of full-service home access options. Industry veteran Kevin McManus will join the NSM team to oversee home access services throughout the region.

"Being the trusted partner for our clients means supporting all mobility needs for any environment throughout their lives," said Bill Mixon, NSM CEO. "We are proud to provide a holistic suite of solutions supporting independence for individuals in and around Las Vegas, and are pleased to welcome Kevin to the NSM team of experts serving those clients."

McManus is the former owner of Nevada Mobility and has been working in the CRT industry since 2012. His unique skill set includes the sale, installation and servicing of home accessibility equipment, affording him expansive knowledge of products and customer needs in the market.
