NATIONAL SEATING & MOBILITY ADDS DIRECTOR OF BUSINESS DEVELOPMENT

NASHVILLE, Tenn. (April 26, 2021) — National Seating & Mobility (NSM), North America’s largest provider of comprehensive mobility solutions, is pleased to announce the appointment of Tim Williams, ATP, as director of business development. Williams has worked with the NSM Clinical Business Development team for the past five years.

“Before joining NSM, Tim spent years recruiting and leading teams in the CRT industry,” said Doug McDaniel, SVP of Business Development. “He has a first-hand understanding of the dynamics involved in a company transition, and he’s an excellent resource for employees transitioning to NSM. We are thrilled for Tim to move into this role.”

Williams joined NSM on the Business Development team in 2016 following more than 35 years of experience in the complex rehab and durable medical equipment industries. As an Assistive Technology Professional (ATP) and former business owner, Williams has an established reputation building and cultivating relationships with both clients and peers across the industry.

“I am very comfortable working with people to ease concerns about joining a larger organization, and I personally understand the benefits of working with NSM,” said Williams. “I look forward to stepping into this role and continuing to contribute to the overall health and stability of the company and industry as a whole.”

Led by McDaniel, NSM’s business development team also includes directors Tom Schoen and Charlie Felker.

About National Seating & Mobility

For more than 25 years, National Seating & Mobility has been advancing independence and enhancing the quality of life of individuals with mobility challenges. With a network of more than 180 locations, experts and resources across the U.S. and in Canada, National Seating & Mobility is North America’s largest and most trusted provider of comprehensive mobility solutions including complex rehab technology, home and vehicle accessibility, and full-service equipment maintenance and repair. National Seating & Mobility is the only national mobility solutions provider accredited by The Joint Commission for demonstrating quality and safe care.
