## **NATIONAL SEATING & MOBILITY NAMED A TOP WORKPLACE IN MIDDLE TENNESSEE FOR THIRD YEAR**

NASHVILLE, Tenn. (June 21, 2021) — National Seating & Mobility (NSM), North America’s largest provider of comprehensive mobility solutions, has been awarded a Top Workplaces 2021 honor by The Tennessean for the third consecutive year.

“As reflected in our core values, NSM team members consistently have our clients’ best interests at heart,” said Bill Mixon, NSM CEO. “Despite serving some of the most vulnerable population throughout the COVID-19 pandemic, our team continued to work seamlessly to ensure mobility and accessibility needs were met for our clients. It is an honor to be named a Top Workplace in Middle Tennessee for the third year, a recognition that celebrates our growing team and the culture we strive to keep.”

The Top Workplaces list is based solely on anonymous employee feedback gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The survey uniquely measures workplace culture including alignment, coaching, connection, engagement, leadership, performance and basics such as pay, benefits, flexibility and more.

“During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations, as well as a sign of resiliency and strong business performance,” said Eric Rubino, Energage CEO. “When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization, so they can make informed decisions that have a positive impact on their people and their business.”

NSM operates 182 branches across the U.S. and in Canada with more than 2300 employees, 70 of which work in the Franklin-based corporate office and Middle Tennessee-area branches and 250 of which are employed in the Chattanooga-based operations center and branch.
