## **NATIONAL SEATING & MOBILITY EXPANDS CANADIAN FOOTPRINT WITH ACQUISITION IN ALBERTA**

NASHVILLE, Tenn. (Oct 4, 2021) — National Seating & Mobility (NSM), North America’s largest provider of comprehensive mobility solutions, has acquired an independently owned and operated HME dealer in Red Deer, Alberta. Located at 110 5301 43rd Street off of Taylor Drive, the home medical equipment provider specializes in complex rehabilitation technology, mobility solutions and accessibility services. This is NSM’s first location in the province of Alberta.

“At NSM, our desire is to help individuals gain access to the full range of mobility solutions and accessibility services currently available,” said Bill Mixon, NSM CEO. “This acquisition deepens our commitment to our Canadian customers and broadens our reach, allowing us to support even more individuals in their journey to achieve greater independence.”

Ian Findlater, who has more than 30 years of experience in the rehab and mobility industry, started the business in 2017. He will transition to the NSM team with the acquisition, serving as the company’s rehab manager.

The acquisition expands NSM’s growing North American footprint. It is the tenth acquisition so far this year. To date, NSM operates 23 locations in Canada, serving clients in six provinces.

### **About National Seating & Mobility**

For 30 years, National Seating & Mobility has been advancing independence and enhancing the quality of life of individuals with mobility challenges. With a network of more than 190 locations, experts, and resources across the U.S. and in Canada, National Seating & Mobility is North America’s largest and most trusted provider of comprehensive mobility solutions including complex rehab technology, home and vehicle accessibility, and full-service equipment maintenance and repair. National Seating & Mobility is the only national mobility solutions provider accredited by The Joint Commission for demonstrating quality and safe care.
