National Seating & Mobility Expands Mobility Services in Mississippi

NASHVILLE, Tenn. (March 7, 2022) — National Seating & Mobility (NSM), North America’s largest provider of comprehensive mobility solutions, is expanding services in the South with the opening of a new branch in Hattiesburg, Mississippi. Industry veteran David Gurganus will join the NSM team, serving as the branch manager.

“Strategically growing our footprint allows us to ensure more people have access to the most advanced mobility and access solutions available,” said Bill Mixon, NSM CEO. “We are excited to partner with individuals in and around Hattiesburg as they pursue greater independence and are proud to welcome David to the NSM team.”

Gurganus, who has been working in the CRT industry since 2004, earned his ATP certification in 2013. A former area college baseball player, Gurganus plans to bring a team mentality to his leadership of the Hattiesburg branch.

“Playing college baseball taught me about teamwork. Every player has to be ready and willing to do their job at above average rate to be successful,” Gurganus said. “Those same principles can be applied to the CRT world.”

The branch will prioritize clients and high-quality service, providing a wide range of mobility solutions designed to support greater independence. Gurganus and his team will also emphasize education, ensuring clients, caregivers and healthcare providers understand the value of CRT equipment and their options.

NSM operates more than 190 locations across the U.S. and in Canada.

About National Seating & Mobility

For 30 years, National Seating & Mobility has been advancing independence and enhancing the quality of life of individuals with mobility challenges. With a network of more than 190 locations, experts, and resources across the U.S. and in Canada, National Seating & Mobility is North America’s largest and most trusted provider of comprehensive mobility solutions including complex rehab technology, home and vehicle accessibility, and full-service equipment maintenance and repair. National Seating & Mobility is the only national mobility solutions provider accredited by The Joint Commission for demonstrating quality and safe care.
