

## **NATIONAL SEATING & MOBILITY OPENS NEW BRANCH IN MAINE**

*New Bangor location is the first for the company in the state*

NASHVILLE, Tenn. (March 13, 2018) - Complex Rehab Technology Solutions (CRT) provider, National Seating & Mobility (NSM), is expanding again with the opening of a branch in Bangor, Maine. The new Bangor branch is the company's first location in the state.

"NSM remains committed to growing our national network of experienced assistive technology providers in order to reach more individuals in need of mobility solutions," said Bill Mixon, NSM CEO.

Assistive technology provider (ATP) Dan Wyles and rehab technology supplier (RTS) Brian Littlefield will serve clients from the new Bangor branch located in the Broadway Shopping Center. NSM has also hired Toby Burdet, RTS, to serve clients from a forthcoming Portland branch, scheduled to open this spring.

"We are proud to add these new locations and experienced professionals to the NSM family and look forward to partnering with healthcare providers to serve clients in these communities," said Mixon.

### **About National Seating & Mobility**

National Seating & Mobility is the nation's premier Complex Rehab Technology Solutions provider, partnering with physicians, therapists and clients across the U.S. to design customized innovative mobility, rehabilitation and adaptive product solutions for individuals with disabilities. Founded in 1992, the company has grown from five locations to a national network of professional Assistive Technology Providers (ATPs). National Seating & Mobility has earned the highest professional accreditation from the independent, not-for-profit, The Joint Commission. As preeminent accrediting body for U.S. healthcare organizations, The Joint Commission maintains unrivaled industry standards. For more information visit [nsm-seating.com](http://nsm-seating.com).
