

NATIONAL SEATING & MOBILITY EXPANDS WITH TENNESSEE MULTI-BRANCH ACQUISITION

East Tennessee acquisition takes NSM services statewide

NASHVILLE, Tenn. (April 25, 2018) - Complex Rehab Technology (CRT) Solutions leader, National Seating & Mobility, is expanding the company's reach with a multi-branch acquisition in Tennessee. The acquisition of Professional Rehab & Mobility marks the company's first branch locations in Chattanooga, Knoxville and Kingsport, taking NSM's services statewide.

"Tennessee is home to both our corporate headquarters in Franklin, and our operations center in Chattanooga, making this acquisition particularly special to NSM," said Bill Mixon, NSM CEO. "We are driven to continue to expand our reach to impact more individuals in need of mobility solutions, and are proud to work with therapists and physicians across the state to bring mobility and independence to clients across the state."

Seven experienced assistive technology professionals (ATPs), and two rehab technology suppliers (RTSs) will stay on to serve clients from branch locations in Chattanooga, Knoxville, and Kingsport, Tenn.

"We are proud to welcome this experienced group to the NSM family," said Mixon.

"NSM's client-focused approach was a good match for our team," said Theresa Crump, co-owner of Professional Rehab & Mobility. "We are excited to bring our community of clients the industry-leading resources NSM can provide."

NSM also operates branches in Nashville and Memphis.

About National Seating & Mobility

National Seating & Mobility is the nation's premier Complex Rehab Technology Solutions provider, partnering with physicians, therapists and clients across the U.S. to design customized innovative mobility, rehabilitation and adaptive product solutions for individuals with disabilities. Founded in 1992, the company has grown from five locations to a national network of professional [Assistive Technology Providers](#) (ATPs).
