

NATIONAL SEATING & MOBILITY EXPANDS HOME ACCESS BUSINESS WITH ACQUISITION

NASHVILLE, Tenn. (June 1, 2018) – AccessNSM, a division of National Seating & Mobility (NSM), propels the company’s trajectory of growth with the acquisition of Home Safe in Tampa, Fla. The purchase of Home Safe, a preferred home accessibility provider for many third party payers including workers compensation administrators and Veterans Administration facilities, accelerates NSM’s growing position as a national home modification and accessibility leader.

“NSM is committed to expand our reach and broaden our capabilities supporting the journey to independence for our clients,” said Bill Mixon, NSM CEO. “This acquisition not only significantly expands our footprint, but also enhances our nationwide network of branches and mobility experts with the addition of a team of experienced home accessibility experts.”

Home Safe, a national full-service home modification and accessibility provider, was established in 2000 and headquartered in Tampa. The company provides a full suite of home modification construction services, bathroom modifications, room additions, customized ramping, vehicle lifts and modifications, stairlifts, ceiling track lifts, vertical platform lifts, environmental controls, and offers a full menu of services designed to make homes accessible for their medically fragile and mobility-challenged clients.

The company’s co-founder, Ward Farley, will stay on board with NSM after the acquisition and will continue to lead the Tampa operation. Ferenc Moricz, ATP, will join NSM through the acquisition, and will provide support through a CRT lens to ensure a clinically holistic approach to accessibility within the home

“Home Safe is respected in the industry for the company’s strong focus on quality and reputation for customer satisfaction,” said Mixon. “Their experienced team will play an integral role in driving the growth of our home access business.”

About National Seating & Mobility

National Seating & Mobility is the nation’s premier Complex Rehab Technology Solutions provider, partnering with physicians; therapists and clients across the U.S. to design customized innovative mobility, rehabilitation and adaptive product solutions for individuals with disabilities. Founded in 1992, the company has grown from five locations to a national network of professional Assistive Technology Providers (ATPs). National Seating & Mobility has earned the highest professional accreditation from the independent, not-for-profit, The Joint Commission. As preeminent accrediting body for U.S. healthcare organizations, The Joint Commission maintains unrivaled industry standards. For more information visit nsm-seating.com.
