NASHVILLE, Tenn. (June 14, 2018) - National Seating & Mobility (NSM), complex rehabilitation technology (CRT) and mobility solutions leader, is expanding the company's reach with a new branch in Roseburg, Oregon. The acquisition of CRT assets from Douglas Medical Equipment Supply, also in Roseburg, supported the opening.

"This new location allows us to bring innovative mobility solutions to more individuals in Oregon who need them," said Bill Mixon, CEO. "We are proud to partner with the physicians and therapists in the area to serve clients in the southern part of the state."

Assistive technology professional (ATP), Wayne Smith, will manage the new branch. Douglas Medical Equipment Supply will continue to provide home healthcare products.

This is the third NSM location in Oregon, the second to serve clients in the southern part of the state. The company already operates a satellite location in Eugene and a branch in Portland.
